## Live-In Care

*Your Home  
Your Way*

Live-in, nurse-led care  
tailored to you

# When care becomes part of the conversation...

It's not always easy to know where to start

A few hours of help might be enough – for now. As needs change, choices can feel overwhelming.

If home feels safest and happiest, live-in care could be the answer.

## Why Choose Live-in Care?

### The benefits of Live-In Care

**Stay at Home:**  
No stressful move or upheaval.

### Personalised Support:

Routines, hobbies & visits built around you or your loved one.

**Companionship:**  
Emotional as well as physical support.

### Independence:

Stay connected to everyday life and the people who matter most.

**Keep pets close:**  
Live-in care means you or your loved one can stay close to beloved pets.

## Nurse-Led Expertise

Hospital-level care at home  
More than standard live-in care

Our nurse-led teams deliver hospital-level care at home for complex medical and mental health needs. We provide expert support as health needs change, helping people stay safely at home longer.

- ✓ Airway & Respiratory Management
- ✓ PEG & Enteral Feeding
- ✓ Hospital Discharge Support
- ✓ Brain & Spinal Injury Care
- ✓ Palliative & End-of-Life Care

## What to Expect

We make everything simple, clear and reassuring:

### Personalised Care Plans

We work closely with you and your family to create a care plan tailored to your specific needs and preferences.

### Your Good Day

From your favourite routines to the activities that bring you joy, we focus on making each day as comfortable and fulfilling as you want it to be.

### Your Preferences

Whether it's meal choices, bedtime routines or daily habits, your preferences shape how we deliver every element of your care.

### Medical Needs

Our nurse-led care ensures even complex medical requirements are met with expertise and compassion.

### Continuity & Comfort

We prioritise continuity of care, so you or your loved one will have a familiar, trusted carer. Comfort and privacy are always respected. You will be involved in choosing the carer and privacy is always respected once live-in care is in place.

### Considering Costs

Live-in care is often more affordable than you think:

£1,800 – £2,500 weekly  
Even better value for couples sharing one carer
